Annual BizMtl Sailing Event

If you have never gone sailing, then here is the chance of a lifetime!!! We'll soon find out who the chickens are. **Tony McBride** is planning a Sailing and BBQ meeting at a popular Yacht club. This should prove to be a lot of fun. Should all go as planned, we'll be able to sail on the lake then enjoy an outdoor BBQ for some good old time summer socializing. I'm sure there must be a bar there! Stay tuned to the latest information at the next meeting Tuesday, June 1st. **Reservations and confirmations will be required to ensure we have enough boats. For Members and First-time Guests.**

Our Objective...

BizMtl provides the medium and organization for its members to promote their business interests through direct business, the furnishing and exchanging of business information and the cultivation of goodwill through personal contact.

Our focus is on the building of relationships.

Member companies may be represented by Presidents, Company Owners, Partners or Decision Makers capable of negotiating transactions, both purchasing and sales, and must have contact base and ability to provide leads to fellow members.

Classifications are intended to be unique with more than 60% of a company's business being derived from its classification.

Members and potential members who are not affiliated to another networking group are preferred.
